FOIA Case Number: TSA11-0690

Phil Mocek
Email: 651-05292235@request.muckrock.com

Dear Mr. Mocek:

This letter is in response to your Freedom of Information Act (FOIA) request dated June 23, 2011, in which you requested the administrative tracking file for FOIA request TSA10-0624 and any e-mails concerning the request. Your request has been processed under the FOIA, 5 U.S.C. § 552.

A reasonable search within the Transportation Security Administration (TSA) was conducted and documents (116 pages) responsive to your request were located. These documents have been reviewed and portions are being withheld pursuant to Exemptions (b)(5) and (b)(6). In addition, three pages are being withheld in their entirety pursuant to Exemptions (b)(5) and (b)(6). A more complete explanation of these exemptions is provided below.

Exemption (b)(5)

Exemption (b)(5) protects from disclosure those inter- or intra-agency documents that are normally privileged in the civil discovery context. The three most frequently invoked privileges are the deliberative process privilege, the attorney work-product privilege, and the attorney-client privilege. Of those, we have determined that information in the documents you have requested is appropriately withheld under the deliberative process privilege. Under the deliberative process privilege, disclosure of those records would injure the quality of future agency decisions by discouraging the open and frank policy discussions between subordinates and superiors.

Exemption (b)(6)

Exemption (b)(6) permits the government to withhold all identifying information that applies to a particular individual when the disclosure of such information "would constitute a clearly unwarranted invasion of personal privacy." This requires the balancing of the public's right to disclosure against the individual's right to privacy. After performing this analysis, we have determined that the privacy interest in the identities of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Please note that

any personal interest you may have in that information does not factor into the aforementioned balancing test.

Fees

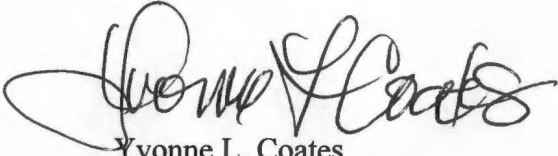

The fees incurred to process your request do not exceed the minimum threshold necessary for charge and, therefore, there are no fees associated with processing this request.

Administrative Appeal

In the event that you wish to appeal this determination, an administrative appeal may be made in writing to Kimberly Walton, Assistant Administrator, Office of Civil Rights & Liberties, Ombudsman and Traveler Engagement (CRL/OTE), Transportation Security Administration, 601 South 12th Street, East Building, E7-121S, Arlington, VA 20598-6033. Your appeal **must be submitted within 60 days** from the date of this determination. It should contain your FOIA request number and state, to the extent possible, the reasons why you believe the initial determination should be reversed. In addition, the envelope in which the appeal is mailed in should be prominently marked "FOIA Appeal." Please note that the Assistant Administrator's determination of the appeal will be administratively final.

If you have any questions pertaining to your request, please feel free to contact the FOIA Branch at 1-866-364-2872 or locally at 571-227-2300.

Sincerely,

Yvonne L. Coates

Good morning,

Please review and respond to the attachment. Identify any information in the responsive records you found during your search that you believe should be withheld, and explain why you believe its release would be harmful. Forward all responses along with completed tasking sheet. Please return the completed tasking sheet (TSA Form 3601) along with responsive records only to TSA.FOIAPOCRESPONSES@tsa.dhs.gov . If there are no responsive records found fill out the form accordingly and return it for record keeping.

Subject: FOIA request: correspondence regarding June 15, 2009, request

TSA FOIA Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. Â§ 552, I request access to and copies of all Department of Homeland Security correspondence regarding FOIA request TSA09-0624, a request I placed on June 15, 2009, for the Transportation Security Administration Screening Management SOP (Standard Operating Procedures) manual, which upon TSA FOIA Office request I clarified on June 16, 2009, to mean "a written description of procedures your staff use at airport checkpoints when searching and interrogating people who are stopped by your staff at those checkpoints".

I would like to receive the information in electronic format (PDF attachments to e-mail). If that is not feasible, paper copies via U.S. Mail would be acceptable.

I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$30. Please notify me prior to your incurring any expenses in excess of that amount.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I request that any deletions be "blacked out" rather than "whited out". I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

I look forward to your reply within 20 business days, as the statute requires.

Thank you for your assistance.

FOIA DIVISION - 571-227-2300

Case No. TSA/0-0624

File No. 6/29/10

Case No. 10-0624

SPECIAL INSTRUCTIONS:

TSA FOIA Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. Å§ 552, I request access to and copies of all Department of Homeland Security correspondence regarding FOIA request TSA09-0624, a request I placed on June 15, 2009, for the Transportation Security Administration Screening Management SOP (Standard Operating Procedures) manual, which upon TSA FOIA Office request I clarified on June 16, 2009, to mean "a written description of procedures your staff use at airport checkpoints when searching and interrogating people who are stopped by your staff at those checkpoints".

I would like to receive the information in electronic format (PDF attachments to e-mail). If that is not feasible, paper copies via U.S. Mail would be acceptable.

I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$30. Please notify me prior to your incurring any expenses in excess of that amount.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I request that any deletions be "blacked out" rather than "whited out". I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

I look forward to your reply within 20 business days, as the statute requires.

Thank you for your assistance.

(b) (6)

Thank you for taking the time to speak with me yesterday. As promised, I am emailing you information about the above-referenced FOIA request for background purposes.

In 2009, Phillip Mocek, the requester of the FOIA request at issue, submitted a FOIA request (TSA09-0624). Subsequently, Mr. Mocek filed another request (TSA10-0624, above-referenced) for all DHS correspondence regarding his prior request, TSA09-0624. In or about August 2010, the Office of the Special Counselor was tasked to search for responsive records. On January 10, 2011, the FOIA Processor (b) (6) received a no responsive records response from (b) (6).

(b) (5)

Should you have any questions or concerns, please do not hesitate to reach me. Your assistance is greatly appreciated.

Thank you.

No kidding. I didn't ask where it was; I asked when you estimate that the records will be provided. Fulfillment of my request is long, long, overdue.

Weeks ago, I asked for an update, and you responded:

I asked twice for an estimate of when responsive records would be available:

You finally responded, and told me that you were checking with management and would provide an update early this week:

You did not provide the update you promised, so I asked again today for a status update.

What did you learn when you checked "with management"?

Thank you for the update.

I asked the following via e-mail on December 23, then again on January 12, but have not received a response:

On Wed, Dec 22, 2010 at 09:27:20AM -0500, (b) (6) at TSA wrote:

When do you anticipate receipt of any records that one office may provide? Can you provide responsive records in two installments: the first without records from that office, and the second with any that come from it?

All,

OCC provides me a weekly or bi-weekly listing of FOIA cases their database states as being returned to our office for various reasons (i.e. additional work, edits, retasking, etc). The below list (60 total) is provided so that you can inventory your case load to determine necessary action. For those re-tasked; contact the POC to ensure documents are provided in order to complete and finalize/close the case. Also, be sure Filemaker Pro is updated accordingly.

I am available, should you have questions or concerns.

Thank you for taking the time to speak with me yesterday. As promised, I am emailing you information about the above-referenced FOIA request for background purposes.

In 2009, Phillip Mocek, the requester of the FOIA request at issue, submitted a FOIA request (TSA09-0624). Subsequently, Mr. Mocek filed another request (TSA10-0624, above-referenced) for all DHS correspondence regarding his prior request, TSA09-0624. In or about August 2010, the Office of the Special Counselor was tasked to search for responsive records. On January 10, 2011, the FOIA Processor (b) (6) received a no responsive records response from (b) (6).

(b) (5)

Should you have any questions or concerns, please do not hesitate to reach me. Your assistance is greatly appreciated.

Thank you.

Thanks very much for the proactive update! That's a nice change from your office's previous record. I appreciate your work toward ensuring governmental transparency. I truly believe it is essential to our freedom. I look forward to a day when public records are public by default, published for all to see.

No kidding. I didn't ask where it was; I asked when you estimate that the records will be provided. Fulfillment of my request is long, long, overdue.

Weeks ago, I asked for an update, and you responded:

I asked twice for an estimate of when responsive records would be available:

You finally responded, and told me that you were checking with management and would provide an update early this week:

You did not provide the update you promised, so I asked again today for a status update.

What did you learn when you checked "with management"?

Thank you for the update.

I asked the following via e-mail on December 23, then again on January 12, but have not received a response:

When do you anticipate receipt of any records that one office may provide? Can you provide responsive records in two installments:
the first without records from that office, and the second with any that come from it?

Thank you. Could you please answer the questions I asked on April 6, then repeated on April 13, and again on April 23? Those were:

1. In January, you reported that the request had been processed. Was that incorrect, or is it presently being processed a second time? (On April 6, you wrote that the request was being processed.)
2. Has the internal review process that began on November 23, 2009, that which was still happening on December 4, 2009, and was still happening on January 25, 2010 been completed?

Also:

3. How long do you estimate that the management review currently underway will take?
4. Will my request be fulfilled once the management review is completed?

Previously, you've written the following about this request:
